I, Edna Mae Mashburn  
C. D. Wilson

and \_\_\_\_\_, do hereby give freely and voluntarily this statement to the Greenville Police Department, Greenville, South Carolina. I have been advised that I do not have to make this or any other statement and that what I say can be used against me in a Court of Law. I have been advised that I have the right to Counsel with an Attorney of my own choice and that if I am financially unable to obtain an Attorney the Court will appoint an Attorney to represent me. I have not been threatened or coerced in any way and I understand I have the right to stop at any time. I hereby waive the right to any reward to make this statement and do so voluntarily.

I am 56 years old and reside at 18 Burdette Street (no phone)

Today about 2:00 PM I was sitting on my neighbor's front porch. She lives at 16 Burdette Street and her name is Viola Owens. I saw a colored male running up Pendleton Street toward the old ice house. I heard a noise and my neighbor told me that he hit a sign. This sign is on the outside of the garage. I told Viola to let's go up there and see what was going on and to see about Vera. Vera is Looper's wife and she has a heart condition. Viola told me to go on. I cut through where an old house had been torn down. I went in the garage and heard Vera screaming. Vera was standing over the Looper boy. I saw that he was bleeding from the head. I noticed a gun laying beside him on the floor. In a minute I saw Mr. Looper laying in the garage. Some guy came in the garage and called an ambulance. I was screaming for help.

The boy that I saw running looked like this: he was a colored male, I believe he was a teenager, he was about 5'10", about 150 or 160 pounds. His hair was short, neat looking. He had on a white shirt with long sleeves and blue jeans. The white shirt he had on was not a dress shirt.

I have read or had read to me the above statement of 1 pages and it is true and correct as best I recall, and I have received a copy of this statement.
